Prayer Diary Editor Advert

The Ecumenical Prayer Diary is produced on a monthly basis online. It is well used by many churches. For the last twelve years, I have edited the prayer diary. The role of the editor is to create the framework of the prayers. The actual prayer intentions are collated from a number of sources. The prayer diary itself is produced by Sarah Marshall-Ellison and therefore the editor has oversight but there is no need to do any word processing. I am happy to discuss the role with anyone who is interested. Please contact me via my email –

Lord Jesus you are the Prince of Peace,
look upon our divided world
to be with those who are victims of violence.

We pray for the people of Ukraine
and all who have been subjected to the cruelty of others.

Help us to know the gift of your peace
in the power of your Spirit and
we ask you to soften the hearts
of those who can stop the fighting.

Creator God we ask for your aid as your children of light
living in the darkness of our world. **Amen**

Pandemic Prayer

Loving God, as your Son healed the sick and brought
good news to the needy be with us this day.

Loving Jesus as you taught us to
'Do unto others as you would have them do to you'

Be with all the medical staff this day.

Loving spirit, your gift is healing,
Bring your healing fire to our homes,
our hospitals and our county,

But most of all, be with us this day. **Amen**

Vision Prayer

Living Lord, as we offer to you our common life,
refresh our vision that we may know your will
and seek to follow in all your ways.

May we **follow daily** as your disciples,
care deeply for one another in community,
speak boldly your gospel word of love,
and **tread gently** as faithful stewards of your goodness.

We ask this in the power of your holy name,
Creator, Redeemer and Sustainer of our lives, today
and for ever. **Amen**
