If someone has forwarded this communication to you and you would like to be added to the distribution list to receive one every week, please email: [charlotte.tudway@carlisle-diocese.org.uk](mailto:charlotte.tudway@carlisle-diocese.org.uk)

## Reflection:

As we journey together towards 10<sup>th</sup> October (see below) as a team we'll be picking out a section of the Lord's Prayer to focus on in our weekly communication reflection each week.

### *"Your will be done on earth as it is in heaven"*

As we return to school, after what I hope has been a restful and refreshing summer break for you all, I've chosen this line (which can sometimes be very hard to accept, even for the most fervent and committed Christians).

September is generally a wonderful time in the school year – full of hope and aspiration. I've always found it far more momentous than 1<sup>st</sup> January. An opportunity for a fresh start and resolutions (usually to have a better work life balance and to take as much exercise as I have during the summer holidays in my case!) Schools are clean and tidy and may smell of fresh paint. Learning walls and books are waiting to be filled. And, crucially, the glue sticks and felt pens all work and the pencils are all sharp!

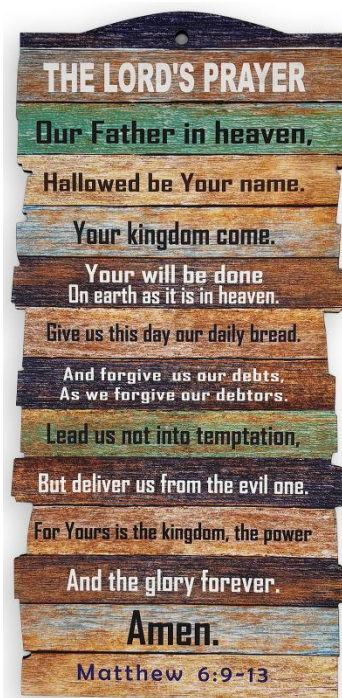

However, we are aware that many of you have returned to difficult news and that there are pupils and families, staff members or members of the wider community in our family of schools who are suffering or grieving at this time.

As a team, we are holding in our prayers those who are seriously ill, dying, grieving or for whom the summer has been a difficult time for any reason.

If there's anyone in your school community who would welcome our prayers, please let us know.

If you are supporting others through a difficult time and want someone with whom to share your burden or just to talk to confidentially, just get in touch. Remember, you can't pour from an empty cup.

With our love from Charlotte and the whole Education Office Team

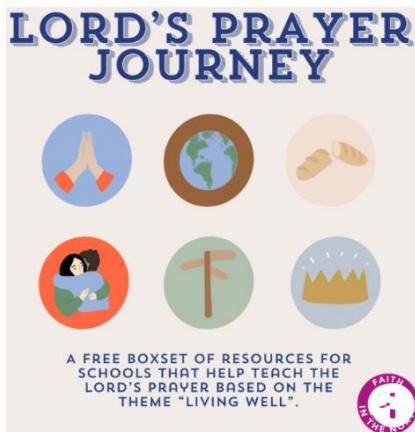

# NEW THIS WEEK!

## Invitation: The Lord's Prayer Journey

Some of you may already have received the invitation to the Collective Moment through Diocese bulletins but as part of the Lord's Prayer Journey, Faith in the North are inviting schools across the North of England to come together in saying the **Lord's Prayer** on **Friday, 10th October 2025**.

Faith in the North supports and resources Church and community primary and secondary schools across the North of England through encouraging children and young people to explore the Christian Faith through the stories of the past, particularly the Northern Saints.

We know many of our schools already include the Lord's Prayer in their collective worship, and there is no expectation that you need to do anything different. All you need to do is to find a moment in the school day, either all together or in classrooms and pray the Lord's Prayer together and our hope is that the opportunity to join together will inspire and encourage schools and their students.

There's a short video introducing the Lord's Prayer, which schools are welcome to show beforehand as well as wider free resources you could chose to use (see below). Faith in the North would love it if schools could share a photo or short video of their school praying—helping us celebrate the day together.

Schools can register their interest

at <https://www.eventbrite.co.uk/e/1448951566139/?aff=oddttdtcreator>

It will also be great to see, for example, if schools could find creative ways to use the Lord's Prayer, to put its words into practice or to see how many languages we can say the Lord's Prayer in across the North?

### Resources

The Lord's Prayer Journey includes

- Seven ready-to-use **Collective Worship sessions** tailored for Primary Schools
- **Lord's Prayer Symbols:** To aid the teaching and memorisation of the Lord's Prayer, [Martha Ratcliff Illustration](#) has designed six symbols that correspond to the lines of the Lord's Prayer.
- **Lord's Prayer Songs:** Two newly released songs for different settings to help teach the prayer.
- **Lord's Prayer day:** an invitation to join with schools across the North on the 10th October.
- **Lord's Prayer Labyrinth:** Designed by Prayer Spaces in Schools.
- Further creative engagement ideas: a series of ideas for the classroom or collective worship
- Teacher's Guide: all the information about how to use the resources.

Resources are available [here](#).

Following the [Nationwide Consultation on Inter Faith Week](#) and [Bursting the Bubble: Recommendations for enhancing Inter Faith Week in England](#) report, Inter Faith Week 2025 is taking place this year from **Sunday 9th to Sunday 16th November**.

Since the closure of the Inter Faith Network for the UK in April 2024, Inter Faith Week has been organised by a consortium of national inter faith organisations. The group forms the **Inter Faith Week steering group for 2025**, and have lots of exciting plans to share with you!

The theme for Inter Faith Week 2025 is:

## Community: Together we serve.

### *Serving others, sharing values, building belonging.*

Join people and organisations to **celebrate** how faith and belief inspires social action; to experience how **working together** towards a common aim can unite across lines of difference; and to **explore** what “community” really means in practice. The theme is optional, and you can use it in whatever way best makes sense in your own context.

If you are already thinking of hosting an activity, you can find a range of activity ideas on the [Inter Faith Week](#) website. You might also want to look at the [Inter Faith Network UK legacy website](#) for publications such as the [Inter Faith Week Toolkit](#). From September, the [Interfaith Week for Schools](#) website will also be updated with new resources, trainings, webinars and project ideas to help your school and local community mark IFW this year.

Dear colleague,

I hope you had a blessed and peaceful summer break!

During 2024/25, we supported a large number of schools, Local Authorities, and Diocesan RE advisers with Islam assemblies, pupil workshops, parent Islam awareness sessions, and staff training. The feedback has been excellent. Schools have already booked visits for Autumn, Spring, and Summer terms in 2025/26.

We would also love to visit your school (either in-person or virtually). Please use the link below to enquire about a visit and to read our wonderful testimonials.

# Governor Zone

## School admissions

Please make sure that Governors (especially in VA schools) have had chance to discuss and plan for the next round of school admissions arrangements, details of which can be found [here](#).

### Determination

All admission authorities must determine their admission arrangements, including their PAN, every year, even if they have not changed from previous years and a consultation has not been required by 28 February in the determination year.

Once admission authorities have determined their admission arrangements, they must notify the appropriate bodies and must publish a copy of the determined arrangements on the school's website or their own website (in the case of a local authority) by 15 March in the determination year and continue displaying them for the whole offer year (the school year in which offers for places are made).

Admission authorities must also send a copy of their full, determined arrangements to the local authority as soon as possible before 15 March in the determination year.

Admission authorities for schools designated with a religious character must also send a copy of their

arrangements to the body or person representing their religion or religious denomination.

### Consultation

When changes are proposed to admission arrangements, all admission authorities must consult on their admission arrangements (including any supplementary information form) that will apply for admission applications the following school year.

Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

Consultation must last for a minimum of 6 weeks and must take place between 1 October and 31 January in the determination year. Admission authorities must consult with:

- a) parents of children between the ages of two and eighteen;
- b) other persons in the relevant area who in the opinion of the admission authority have an interest in the proposed admissions;
- c) all other admission authorities within the relevant area (except that primary schools need not consult secondary schools);
- d) whichever of the governing body and the local authority is not the admission authority;
- e) any adjoining neighbouring local authorities where the admission authority is the local authority;
- and
- f) in the case of schools designated with a religious character, the body or person representing the religion or religious denomination.

For the duration of the consultation period, the admission authority must publish a copy of their full proposed admission arrangements (including the proposed PAN) on the school's website or its own website (in the case of a local authority) together with details of where comments may be sent and the areas on which comments are not sought.

## **CHECKLIST**

2 .....	<input checked="" type="checkbox"/>
3 .....	<input checked="" type="checkbox"/>
4 .....	<input type="checkbox"/>
5 .....	<input type="checkbox"/>

Admission authorities must also send, upon request, a copy of the proposed admission arrangements to any of the persons or bodies listed above inviting comment. Failure to consult effectively may be grounds for subsequent complaints and appeals

**An invitation to pray the Lord's Prayer together**

Dear all

As part of *Faith in the North*, we're inviting schools across the North of England to come together in saying the Lord's Prayer on Friday, 10th October 2025.

---

Faith in the North supports and resources Church and community primary and secondary schools across the North of England through encouraging children and young people to explore the Christian Faith through the stories of the past, particularly the Northern Saints.

Earlier this year we released our first boxset of free resources, "*The Lord's Prayer Journey*" and as part of this are inviting schools to join together in a collective praying of the Lord's Prayer in their schools at some point during the school day on the 10<sup>th</sup> October.

Many of you already include the Lord's Prayer in your collective worship, and there is no expectation that you need to do anything different. All you need to do is to find a moment in your school day, either all together or in your classrooms and pray the Lord's Prayer together and our hope is that the opportunity to join together will inspire and encourage you and your students.

We're creating a short video introducing the Lord's Prayer, which you're welcome to show beforehand and we'll be sharing some wider free resources you could chose to use. We'd love it if you could share a photo or short video of your school praying—helping us celebrate the day together.

It will also be great to see, for example, if we could find creative ways to use the Lord's Prayer, to put its words into practice or to see how many languages we can say the Lord's Prayer in across the North?

Registering will enable us to share the video and wider resources with you, remind you in the lead up and provide the details for you to share your video/photo with us afterwards

**To register your interest in joining in on the day please sign up [here](#)**

With thanks

Dent Church of England Primary School is looking for a leader and colleague who will deliver high standards of academic and personal growth.

You are invited to bring your Year 5 and 6 pupils to the free, multi-media Life Exhibition to be hosted at Kendal Parish Church October 20th-24th 2025.

The Life exhibition is an exciting, multi-media experience designed for primary school children which complements the current non-statutory guidelines for Religious Education in the UK.

Using interactive tablets, graphic panels, quizzes, films, songs and a discussion café, Life helps children learn – in just over an hour – about the story of Jesus and his relevance today.

The exhibition, which is free thanks to the sponsorship of your local churches and Christian charity Counties, is aimed at Upper Key Stage 2 and incorporates aspects of the Locally Agreed Syllabus.

Since its launch in 2006, more than 150,000 children and adults have visited the exhibition with great feed-back from visitors including headteachers, teachers and pupils.

We'd love to welcome you pupils, you can book at an hour slot at <https://www.trybooking.com/uk/EZCS>

You might want to combine your visit with other activities in Kendal and if you book the 1-2pm slot we can offer you a free history tour of the church, brass rubbing session or introduction to church music and our 3 organs after your visit to the Life Exhibition. Please get in touch when you've booked and we can chat about what extra session you would like.

I have attached a leaflet that gives you more details about the exhibition and this link shows you a short video about the exhibition when it was in Barrow.
