Reflection: Thanks for all the lovely messages and offers of support. 2026 continues to be a tricky year so far, dealing with or helping (where we can) with so many complex and distressing issues in our family of schools.

Today, just for once, we took our own advice and made the trip down to London for the FlourishED National Society annual conference. It was a lovely opportunity to say a fond farewell to Revd Canon Nigel Genders OBE, Chief Executive of the National Society (in the same church Joshua Watson founded the National Society back in 1811) as he steps down from his role after more than a decade of service.

A recurring theme of the day was that 'we are more united than we are divided'. We know that many of you are facing heightened division in your communities. Please do get in touch if there's something we could do to help.

We appreciated hearing Secretary of State, Bridget Phillipson, champion Church of England schools. She recognised and thanked us for our work to establish an entitlement to education for all, not just something to be bought by the privileged. She acknowledged that the Church of England 'got there first' and the state followed.

We were lucky enough to have input from an amazing range of young peoples' voices. Cups are filled up and we'll be back ready to fill yours on Monday!

Let's Build *Empathy*

Sanctuary Foundation is proud to present an exciting new art and poetry competition that invites 7-19 year olds to reflect on what life is like for the 43.3 million children around the world who are

displaced. Schools, families or community groups should digitally submit their top 3 pieces in each category.

Students can create either a piece of artwork or a piece of poetry illustrating their empathy with or experience of being separated from the place they call home. These creations will be judged by a fantastic panel of celebrities, refugees, and journalists with the top 30 entries going on display in The British Library during National Refugee Week (Monday 15 – Sunday 21 June 2026). They will also be featured in a special national online assembly, in the press and elsewhere. The prize ceremony will be at the British Library on Monday 15 June 2026.

[Enter the competition here](#)

The competition is open from Wednesday 12 November 2025.

Any student aged 7–19 can enter a single submission.

Closing date is: *Wednesday 15 April 2026* (11.59pm)

Judging will take place following the closing date.

Artwork should be produced on A4-sized paper, in landscape format, as two-dimensional submissions, in any appropriate media.

Poetry should be no longer than 14 lines.

Schools, families or community groups should submit a .jpg image of the artwork or a .pdf file of the poem with the student's name, year group and school/guardian/parent contact details via a link on the Sanctuary Foundation website. (see below). Each submission should not be larger than 4MB.

For reference, here's a quick summary of the relevant Key Stages in the UK education system:

Key Stage 2: 7–11 years old

Key Stage 3: 12–14 years old

Key Stage 4: 15–16 years old

Key Stage 5: 17–19 years old

Schools families or community groups should retain physical copies of artwork and poetry submitted for potential display.

Schools, families or community groups will be notified of shortlisted finalists by the middle of May 2026.

Learning Hub Applications 2026

Does your school, church, trust or Diocese have an idea which enables young people at the heart of what church and school do together? Find out more about this creative opportunity and apply.

We are delighted to be launching a third application process for our Growing Faith Learning Hubs. The Growing Faith Foundation is seeking to resource a further 14 Learning Hubs across the country starting in January 2026. They will act as strong developmental communities of practice from which schools and church leaders (both regionally and nationally) can learn.

The Learning Hubs will become centres of innovation, where schools/churches are resourced to further embed creative practices that build the strategic partnership between school, church and home. Hubs are creative spaces, with an emphasis on imaginative approaches that champion the voices of children and young people and embed inclusion and hospitality. as we seek to put children, young people and families at the heart of all the mission and ministry of the Church by changing the culture of the Church of England.

In 2026 The Learning Hubs will be funded in two different models:

- an annual grant of £10,00 each year for two years. There will be 10 location places available
- a smaller grant of up to £2500 for 3 months to 1 year projects, where local partnerships want to undertake a smaller piece of work as part of their wider Growing Faith shaped development. There will be 4 location places available in 2026 and 4 in 2027.

Please do consider whether your church/school partnership, whether based in a Diocese, a deanery, a school trust, an individual church or school or other iteration might become a suitable Hub. Read more about the application process in our [guidance document](#).

Please share with anyone who may be interested and submit applications by 31st October 2025

If you have further questions or an informal chat would be of help, please contact mandy.christopher@churchofengland.org

Laura is also very happy to chat with anyone who is interested.

School admissions

Please make sure that Governors (especially in VA schools) have had chance to discuss and plan for the next round of school admissions arrangements, details of which can be found [here](#).

Determination

All admission authorities must determine their admission arrangements, including their PAN, every year, even if they have not changed from previous years and a consultation has not been required by 28 February in the determination year.

Once admission authorities have determined their admission arrangements, they must notify the appropriate bodies and must publish a copy of the determined arrangements on the school's website or their own website (in the case of a local authority) by 15 March in the determination year and continue displaying them for the whole offer year (the school year in which offers for places are made).

Admission authorities must also send a copy of their full, determined arrangements to the local authority as soon as possible before 15 March in the determination year.

Admission authorities for schools designated with a religious character must also send a copy of their

arrangements to the body or person representing their religion or religious denomination.

Consultation

When changes are proposed to admission arrangements, all admission authorities must consult on their admission arrangements (including any supplementary information form) that will apply for admission applications the following school year.

Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

Consultation must last for a minimum of 6 weeks and must take place between 1 October and 31 January in the determination year. Admission authorities must consult with:

- a) parents of children between the ages of two and eighteen;
 - b) other persons in the relevant area who in the opinion of the admission authority have an interest in the proposed admissions;
 - c) all other admission authorities within the relevant area (except that primary schools need not consult secondary schools);
 - d) whichever of the governing body and the local authority is not the admission authority;
 - e) any adjoining neighbouring local authorities where the admission authority is the local authority;
 - and
 - f) in the case of schools designated with a religious character, the body or person representing the religion or religious denomination.
-

For the duration of the consultation period, the admission authority must publish a copy of their full proposed admission arrangements (including the proposed PAN) on the school's website or its own website (in the case of a local authority) together with details of where comments may be sent and the areas on which comments are not sought.

CHECKLIST

1	<input checked="" type="checkbox"/>
2	<input checked="" type="checkbox"/>
3	<input checked="" type="checkbox"/>
4	<input type="checkbox"/>
5	<input type="checkbox"/>

Admission authorities must also send, upon request, a copy of the proposed admission arrangements to any of the persons or bodies listed above inviting comment. Failure to consult effectively may be grounds for subsequent complaints and appeals

Teacher wellbeing

From the charity [Governors for Schools](#): "Education Support's Teacher Wellbeing Index 2025 reveals an education workforce in crisis with staff wellbeing at its lowest level since 2019.

If we want every child to thrive, we must ensure those who teach and support them are thriving too. At a time like this, governors and trustees play a pivotal role – monitoring pressures on staff, asking the right questions

New Ofsted Framework 2025

Ofsted's new approach to school inspection from November 2025

Summary of changes for governing boards

With the new Ofsted framework becoming active in the last week or so, governors may want a quick guide to the recent changes in terms of the content and operation of inspections. Helpfully, the NGA has produced a [document](#) for this.
