

Increase your visibility in the parish:

If you would like to have a Carlisle Diocese PSO lanyard made for you, please contact us at safeguarding@carlislediocese.org.uk. You will need to provide details to confirm you have been safely recruited and are up to date with your safeguarding training to allow us to progress your request. We can also print out new safeguarding posters for you if you require them to enable promotion of your contact details within the parishes you are responsible for.
