

Support for new PSO's:

Weclome to our wonderful team of PSO's and thank you for taking on the role. You may feel a little daunted by it all at the moment, but we are here to help. Please contact Yvette Ladds, our Safeguarding Support & Engagement Officer at yvette.ladds@carlislediocese.org.uk. She will be able to tell you about support available including PSO drop in sessions and network sessions, training availability, the dashboards and hubs tools and our newsletter for further information. We look forward to hearing from you and working with you.
