

# Associate Minister at St John's Houghton with St Peter's Kingmoor (Carlisle)

We are a classical evangelical parish, committed to discipleship and evangelism. We seek an ordained Anglican *"to equip the saints for works of service"* for the many gospel opportunities here. Our main pattern for ministry is to prayerfully teach the Bible across every area of our congregational and parish life.

There is some flexibility to shape this new role around the strengths and skills of the person appointed. They will lead on some strategic ministry areas across the whole parish, as well as focusing on the work in Houghton village, including the 11am congregation, outreach homegroup and leading a team to plant a new congregation.

This post would suit someone completing their curacy, or with more experience who would enjoy the outreach and ministry opportunities here.
