Benefice Specific

13. Role context and any other relevant information

This role presents a unique opportunity for a visionary leader to serve as the Missional Priest-in-Charge in South Barrow Team Ministry. The role will focus exclusively on St George's so as to enable the successful candidate to play a pivotal role in shaping the future of both the parish and surrounding area by spearheading the establishment of new worshipping communities, fostering spiritual growth, and creating a lasting impact in this urban setting, in turn setting a pattern with potential to be deployed across the town.

This new role represents a pivotal shift from a traditional 'vicar' maintaining existing services to a visionary missional approach that sees the potential beyond the current walls of the church.

We see at least three particular opportunities to explore starting new worshipping communities:

- building on our existing partnership with St George's School, engaging local families with the gospel, a focus that is covered elsewhere in this profile.
- the Marina Village development, a 26-hectare site which is just metres from St George's church, upon which 550 new homes are being planned.
- serving local needs in the town centre, as we partner with others across the Barrow Mission Community.

Alongside these, there is a need to revive, nurture and pastor the existing St George's congregation. That said, the PCC also recognise the need to ensure a dynamic and inclusive future for St George's that embraces the spiritual needs of the developing wider community.
