

Growing Greener - Growing Younger
Growing Closer - Growing Outwards

Benefice of Workington Full-time Rector

Are you the person God is calling here?

The vibrant market town of Workington, is prayerfully seeking a new Rector. We are a united benefice of two parishes with magnificent and contrasting buildings in prominent locations. Each has a distinct flavour, but we are both steeped in the Liberal Catholic tradition. Both parishes have seen recent growth with a diversity of ages, nationalities and backgrounds and we are looking for someone to lead us into the next stage of our mission.

We are praying for a priest who is:

- o deeply grounded in their faith in Christ and is able to lead the parishes in mission within the liberal Anglo-Catholic traditions of worship, prayer and liturgy
- o prayerful and empathetic
- o a collaborative, energetic and empowering leader
- o committed to civic engagement and partnership as part of the Church's mission
- o enthusiastic about preaching and deepening the faith of people of all ages
- o able to demonstrate a heart for young people
- o pastoral and approachable
- o committed to warm, ecumenical relationships
- o blessed with a sense of humour

For an informal conversation, please contact Archdeacon
Stewart Fyfe on 07552 428772.
