Growing Younger Mission & Discipleship Enabler

St James & St Mark's Church Barrow

Rising Faith Barrow is a new and exciting vision for support the churches of Barrow Deanery to grow missional, younger and more diverse Christian communities across the changing town of Barrow in Furness on the western edge of Cumbria.

A key part of the Diocese of Carlisle's Cumbria Way project, our vision (with the support of the Church of England's Diocesan Investment Programme) is to release the energy of our churches to grow again through growing our reach, growing the number of missional disciples, growing leaders, growing new worshipping communities, growing generosity and growing collaboration.

The appointment of a Network Youth Church worker (to work across the town) and two **Growing Younger Mission & Discipleship Enablers** (to support the growth of St Paul's & St Aidan's and St James' & St Mark's mission to young people) is intended to grow and deepen our connections with and the discipleship of the young people of our town, through mobilising new programmes of church based mission, evangelism & discipleship.

Based at St James & St Mark's, the Growing Younger Mission & Discipleship Enabler will become a key member of the team that works across both the parishes to regrow church through developing youth and children's evangelism and discipleship.

St James' Hindpool is one of Barrow's oldest churches: a parish church with deep roots and a strong choral and sacramental tradition, and a history of serving its largely terraced community with the hope of the gospel. The Growing Younger Mission & Discipleship Enabler will be part of a team revitalising mission and ministry in this locality, working closely together with the Revitalisation Priest to renew engagement with our church primary school (and the children and families outside of school) in order to develop a new congregation/new worshipping community, and working with the Church Planting and Evangelism Enabler to build on existing work to engage with young people and families in the other communities of the expanded parish.

St Marks is a town-centre church in the evangelical tradition with a thriving midweek ministry to those living & working in Barrow's urban centre. The Growing Younger Enabler will work with the Vicar Associate Minister, and Community Pastor to lead evangelism amongst children & young people, including both pioneering & developing relationships with town centre primary schools, and helping the established congregation develop discipleship amongst youth, children and families.

A key priority for the wider Rising Faith Barrow plan is developing leaders, confidence and capacity. For the Growing Younger Mission & Discipleship Enabler this will mean praying and working collaboratively to build teams, contribute to training, multiplying leaders and working to discover and release the gifts of the young people to contribute to God's mission.

As a team we are committed to investing in the discipleship and gifts of all our people. As well as regular team meetings, opportunities for learning and discipleship, you will be part of an enthusiastic, growing and positive community, who together are called to enjoy, grow in and make know the good news of Jesus Christ.
