Introduction to Network Youth Church

We are seeking to appoint new leaders for Network Youth Church. Network Youth Church is a new way of doing and being church with young people across Cumbria. As Cumbria operates as an ecumenical county NYC also operates ecumenically where possible and relates to the ecumenical mission communities in the deanery where it sits. We create spaces which are safe and welcoming, but don't shy away from the big questions of life, working to encourage confidence, participation, understanding and growth. It is a part of the county-wide God for All and Growing Younger strategies, which recognise that we need to develop different and new ways of being church, alongside those that already exist. This means that our work is informed by the strengths of the local church, but everything we do is governed by what works best for our young people, and that may mean doing things differently.

We began in response to low numbers of young people engaging with church in Cumbria thirteen years ago and have since grown into one of the most creative faith-based youth projects in the UK. We take a pioneering and inclusive youth work approach to support the personal, social and spiritual development of young people across the county. NYC is inclusive and welcoming to all young people.

NYC runs everything from drop-in youth clubs to question spaces, cafe spaces to prayer spaces, schools work to street-based youth work, outdoor activities, days out residential and summer camps. There are activities happening in halls, churches, cafés and classrooms. There are large scale events which happen once a year, gathering all the young people from across NYC Cumbria, and there are smaller, more local events where young people from different areas can meet. We also provide opportunities for young people to go on different events: both locally and nationally.

When the NYC is at full strength there are 11 NYC Leaders, each responsible for the development of ministry across a deanery. We employ different approaches in different areas depending on the context and geography and each NYC has a local Ministry Council to help set strategy, develop local connections and support the local NYC Leader.

NYC Leaders are employed by the diocese and local work expenses are covered by the deanery. A local line manager helps oversee the work in partnership with the Growing Younger Enabler for Youth who oversees the whole of NYC.

About Growing Younger and the Diocese of Carlisle

This is a significant, hope-filled but challenging time for the Church of England in Cumbria.

Alongside our ecumenical partners we have recently renewed our vision and strategy, God for All, as we look to the next decade.

The vision centres around four key values which frame our priorities:

1. Follow Daily:

We will help each other to follow Jesus more closely, seeking to grow as his disciples in all aspects of life, both corporately and as individuals

2. Care Deeply:

We will listen to our local communities and respond in loving service, seeking to transform injustice, challenge oppression and pursue peace & reconciliation.

3. Speak Boldly:

We will share our faith in Jesus Christ in everyday ways, seeking to connect with everyone, especially those currently unrepresented in our churches. We'll do this in both time-honoured & pioneering ways.

4. Tread Gently:

We will strive to safeguard the integrity of God's creation, seeking to sustain and renew the life of the earth.

These are the building blocks that help us define our core purpose as Church and our main tasks.

The Diocese of Carlisle covers (more or less) the County of Cumbria and is part of an ecumenical covenanted partnership with three other denominations - the United Reformed Church, the Methodist Church and The Salvation Army. The county is divided into 34 Mission Communities: local ecumenical groupings of parishes and other churches. Mission Communities bring together churches in a geographical location to share ministry and work together in mission and outreach.

One of our strategic areas is Growing Younger. As in so many places, our congregations are generally getting older and smaller. In the ten years from 2010 to 2019, numbers worshipping on Sunday in the diocese fell by 27% from 13,100 to 9,500. This decline has happened across all sizes of churches. Church attendance and membership in our less affluent, urban areas is particularly low.

Over the last 13 years the diocese has invested in [Network Youth Church](#) (NYC) as a response to the challenges we are facing. NYC is a way of doing and being church that helps young people discover life in all its fullness, explore the Christian faith, and develop the skills they need to live, learn, work, and interact successfully with others. Last year, almost 2000 young people interacted with NYC, with around 800 engaging regularly in Christian discipleship.

We also have a strategic objective of growing younger in our leadership. Currently just under half of our clergy could potentially retire in the next 10 years, and only 9.4% of our ordained leaders are aged under 40. In 2022, the diocese relaunched its Intern Scheme, the [Northern Young Leaders Project](#). This scheme is part of the [Ministry Experience Scheme](#) for the Church of England. We also partner with the [Norwegian Mission Society](#) to accept interns from across the globe. Working in placement churches, this year long scheme offers opportunities for young people to grow in leadership and explore their calling to ministry. This year, we have re-launched our Young Leaders training programme, the Youth Labyrinth. We are currently recruiting for the 2027 intake for both of these exciting projects.

About the Appleby Area

Appleby Deanery is experiencing a vibrant phase of ministry and community engagement, with efforts focused on nurturing growth within our local churches, youth groups, schools and clubs in Kirkby Stephen, Appleby and surrounding villages. Currently, we have several mission communities, including Kirkby Stephen, Appleby, and the surrounding villages. There is also an increasing number of Network Youth Church 'cell groups' that are actively engaging with young people, alongside initiatives aimed at supporting children in local schools.

Geographically, Appleby Deanery boasts stunning landscapes, ranging from the rolling hills of the Pennines to the picturesque Eden Valley. This predominantly rural area consists of charming villages and towns such as Appleby, Kirkby Stephen, Brough, Tebay, Shap and the Morland areas, all known for their rich history and community spirit.

As we move further into 2026, there are plans to enhance collaboration across these communities, ensuring a unified approach to our mission work, working with our ecumenical colleagues across this area.

The diversity of the Appleby Deanery presents both challenges and opportunities. From agriculture to artisan crafts, and from local markets to vibrant community events, the area is a tapestry of activities and interests that brings people together.

Family life is central to our community, particularly the well-being of our young people. This mirrors the broader ethos of the Diocese of Carlisle, where we value the importance of families staying connected and building their futures within their home communities.

Appleby Deanery is wholeheartedly devoted to supporting the diocesan initiatives, such as 'Growing Younger,' and is focused on empowering our Network Youth Church to flourish and make a lasting impact.

NYC Activity in Appleby Deanery

We are looking for someone special to continue the great work that has begun in Appleby NYC. We are not looking for a traditional church-based youth worker, but rather an experienced Christian leader, with a passion for discipling young people and the leadership skills needed to nurture and equip our committed team of volunteers for their vital roles in Appleby Network Youth Church.

These are some of the current projects that we would like to see developed and flourishing:

Lunchtime and After School Clubs

Network Youth Church runs a number of lunchtime and after school clubs in the area. Including Let's Talk, an active listening space at Kirkby Stephen Grammar School. A weekly youth group at Kirkby Thore, A mental health focused lunch club at Appleby Grammar School, where it is ok not to be ok, and Kirkby Stephen Youth Club. These groups are open access and young people are invited to come along for food, games, prayer and faith-based teaching.

Young Leaders

We run the Diocesan Young Leaders Labyrinth, a leadership training course for young people. This year, two young leaders successfully completed this training and were awarded their certificates by the Bishop of Carlisle. Five young people are interested in joining the next cohort in September.

Transition to Secondary School Support

Our NYC Leader works with our primary schools across the deanery to offer support to young people in Year 6 during the summer term as they prepare to move to secondary school.

County-wide Faith Building Opportunities

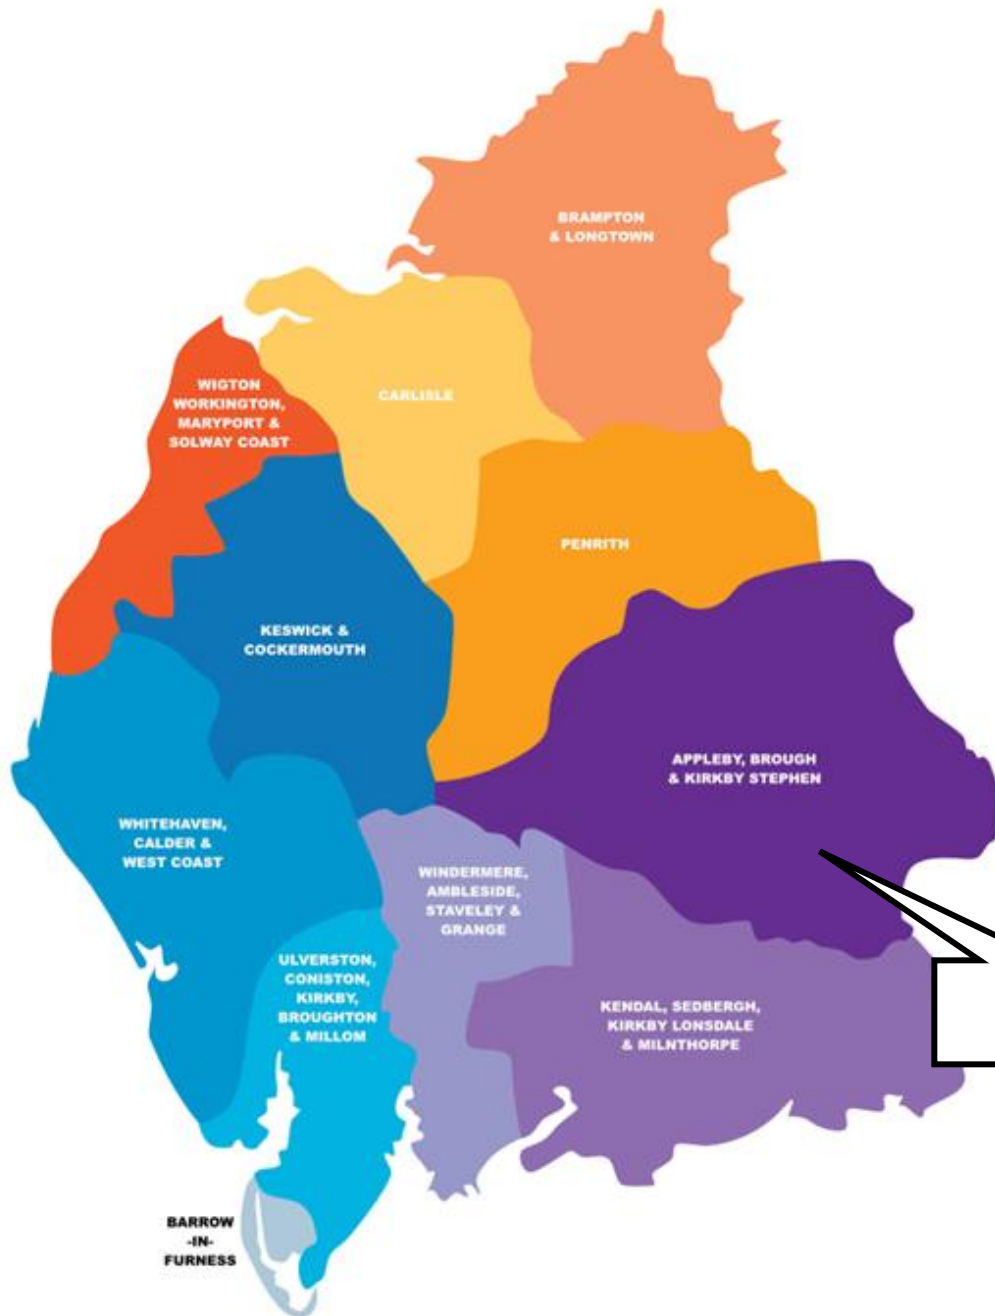

Appleby Deanery is one of eleven NYCs throughout Carlisle Diocese. Together, they collaborate on county-wide projects throughout the year. Young people from Appleby Deanery enjoy going to Dreaming the Impossible (DTI), a Christian Summer Camp hosted by Vineyard. They also attend the bi-monthly Sedbergh Youth Service and The Big One.

Where next for Appleby Network Youth Church?

It is an exciting time to take the reins at Appleby Network Youth Church. Future challenges might include:

- Building on the current activities, links to institutions and relationships with our young people.
- Working with the 18-25 group and the Growing Younger strategy.
- Further building a leadership capability in our senior younger people so they become a significant part of the future direction of Upper Eden NYC.
- Developing the volunteer team so the new worker can expand activities or grow new initiatives.
- Potentially building a larger pipeline of donations.
- Developing our social media presence in collaboration with the Diocesan strategy for social media outreach.
- Building closer ties with local congregations so that the work of the NYC is integrated into the life of the church in this area.
