Introduction to Network Youth Church

We are seeking to appoint new leaders for Network Youth Church. Network Youth Church is a new way of doing and being church with young people across Cumbria. We create spaces which are safe and welcoming, but don't shy away from the big questions of life, working to encourage confidence, participation, understanding and growth. It is a part of the county-wide God for All and Growing Younger strategies, which recognise that we need to develop different and new ways of being church, alongside those that already exist. This means that our work is informed by the strengths of the local church, but everything we do is governed by what works best for our young people, and this may mean doing things differently.

We began in response to low numbers of young people engaging with church in Cumbria thirteen years ago and have since grown into one of the most creative faith-based youth projects in the UK. We take a pioneering and inclusive youth work approach to support the personal, social and spiritual development of young people across the county. NYC is inclusive and welcoming to all young people.

NYC runs everything from drop-in youth clubs to question spaces, cafe spaces to prayer spaces, schools work to street-based youth work, outdoor activities, days out, residential and summer camps. There are activities happening in halls, churches, cafés and classrooms. There are large scale events which happen once a year, gathering all the young people from across NYC Cumbria, and there are smaller, more local events where young people from different areas can meet. We also provide opportunities for young people to go to different events: both locally and nationally.

When the NYC is at full strength there are 11 NYC Leaders, each responsible for the development of ministry across a deanery. We employ different approaches in different areas depending on the context and geography and each NYC has a local Ministry Council to help set strategy, develop local connections and support the local NYC Leader.

NYC Leaders are employed by the diocese and local work expenses are covered by the deanery. A local line manager helps oversee the work in partnership with the Growing Younger Enabler for Youth who oversees the whole of NYC.

About Growing Younger and the Diocese of Carlisle

This is a significant, hope-filled but challenging time for the Church of England in Cumbria.

Alongside our ecumenical partners we have recently renewed our vision and strategy, God for All, as we look to the next decade.

The vision centres around four key values which frame our priorities:

1. Follow Daily:

We will help each other to follow Jesus more closely, seeking to grow as his disciples in all aspects of life, both corporately and as individuals

2. Care Deeply:

We will listen to our local communities and respond in loving service, seeking to transform injustice, challenge oppression and pursue peace & reconciliation.

3. Speak Boldly:

We will share our faith in Jesus Christ in everyday ways, seeking to connect with everyone, especially those currently unrepresented in our churches. We'll do this in both time-honoured & pioneering ways.

4. Tread Gently:

We will strive to safeguard the integrity of God's creation, seeking to sustain and renew the life of the earth.

These are the building blocks that help us define our core purpose as Church and our main tasks.

The Diocese of Carlisle covers (more or less) the County of Cumbria and is part of an ecumenical covenanted partnership with three other denominations - the United Reformed Church, the Methodist Church and The Salvation Army. The county is divided into 34 Mission Communities: local ecumenical groupings of parishes and other churches. Mission Communities bring together churches in a geographical location to share ministry and work together in mission and outreach.

One of our strategic areas is Growing Younger. As in so many places, our congregations are generally getting older and smaller. In the ten years from 2010 to 2019, numbers worshipping on Sunday in the diocese fell by 27% from 13,100 to 9,500. This decline has happened across all sizes of churches. Church attendance and membership in our less affluent, urban areas is particularly low.

Over the last 13 years the diocese has invested in [Network Youth Church](#) (NYC) as a response to the challenges we are facing. NYC is a way of doing and being church that helps young people discover life in all its fullness, explore the Christian faith, and develop the skills they need to live, learn, work, and interact successfully with others. Last year, almost 2000 young people interacted with NYC, with around 800 regular members engaged in Christian discipleship.

We also have a strategic objective of growing younger in our leadership. Currently just under half of our clergy could potentially retire in the next 10 years, and only 9.4% of our ordained leaders are aged under 40. In 2022, the diocese relaunched its Intern Scheme, the [Northern Young Leaders Project](#). This scheme is part of the [Ministry Experience Scheme](#) for the Church of England. We also partner with the [Norwegian Mission Society](#) to accept interns from across the globe. Working in placement churches, this year long scheme offers opportunities for young people to grow in leadership and explore their calling to ministry. This year, we have re-launched our Young Leaders training programme, the Youth Labyrinth. We are currently recruiting for the 2027 intake for both of these exciting projects.

About the local Area and Barrow role

We are looking for a gifted, mission-minded leader who will help shape and grow youth ministry across the town of Barrow-in-Furness at an exciting time of significant spiritual and strategic investment. This role offers the opportunity not simply to inherit existing work, but to prayerfully discern, develop, and lead a renewed approach to engaging young people with the transforming good news of Jesus Christ.

Network Youth Church (NYC) has been active in Barrow for over 15 years, creating spaces where young people can explore faith in creative and relevant ways. We are now entering a new phase. This post represents a chance to reflect on what has been, and to build something that is sustainable, fruitful, and deeply connected into the wider mission of the Church in Barrow.

You will work collaboratively with churches, schools, and community partners, helping to shape a model of youth ministry that is both pioneering and rooted. There is a real freedom here, alongside strong support, to develop something that can make a lasting difference.

Rising Faith Barrow: A Shared Vision

This role sits within a much bigger and well-supported vision. The Church of England has recently invested significantly in Carlisle Diocese to grow missional, younger, and more diverse faith communities. As part of this, over £2 million has been committed to mission in Barrow under the local vision known as Rising Faith Barrow.

As such, the Barrow NYC Leader is not a standalone role. Alongside this post, two Youth & Children's Mission & Discipleship Enablers will also be appointed, each focusing on parish-based church planting and revitalisation projects with a particular emphasis on developing a younger church.

Whilst each of the three roles will have distinct areas of responsibility, they share a common vision and the unique situation offers opportunity for mutual support and encouragement for the NYC Leader. Within this wider vision, the NYC Leader will take a town-wide perspective on ministry with young people, helping to discern key priorities and shape future direction, while contributing to the broader vision and strategy of Rising Faith Barrow.

Understanding Barrow

We love our town! Barrow is a place of strong identity, resilience, and community pride. Situated on the Furness Peninsula, it combines a rich industrial heritage with access to remarkable coastal and rural landscapes. The town is also now entering a period of significant change. Major investment in BAE Systems, alongside the development of a new University of Cumbria campus, is expected to bring rapid population growth.

For the Church, this is a moment of both challenge and opportunity. Barrow Deanery senses a clear call to re-engage with our community under the Rising Faith Barrow banner, investing now in missional leadership so that we are ready to serve, welcome, and disciple a growing population.

Key Priorities for NYC Barrow

Our local Barrow NYC steering group have highlighted the following areas as key priorities to discern and develop in our current season:

- 1) Helping connect, equip and send out young people from across our different churches, including creating opportunities for them to gather together for occasional worship, discipleship, and formation.
- 2) Building a consistent and visible Christian presence in local secondary schools through initiatives such as lunch clubs, mentoring, RE input, Christian Unions, and assemblies.
- 3) Targeted support to strengthen those parishes that do not have direct support from the two Youth & Children's Mission & Discipleship Enablers, helping them grow their ministry with young people.
