

Community Hub Mission Enabler St Mary's Westfield, Workington Deanery

- Are you passionate about developing the leadership of others?
- Can you enable the whole community to flourish, especially through the development of a thriving hub?
- Could you be an essential part of telling the next chapter of the story in St Mary's?

The Diocese of Carlisle is looking for the next enabling leader to build on the recent growth in new worshipping communities and community groups in an area that faces many challenges with consistent hope. You will serve collaboratively with the yet to be appointed house for duty priest-in-charge of St Mary's Westfield to continue to develop a variety of worship and mission, and a wide welcome for all.

Working closely with the Parish of Distington and Harrington, and with ecumenical colleagues, this role offers creative potential and possibility to extend the number of hours with successful grant funding and entrepreneurial imagination. There are many local volunteers keen to see this project continue and grow, and who expect and pray for flourishing and fullness of life that God can offer in worship, service and collective creativity and endeavour.

Are you the person to galvanise this community hub to be all that it can be, by the grace of God?

This is a full-time position of 35 hours a week.
