NETWORK
YOUTH CHURCH

Thank you for your interest in the role of **Network Youth Church (NYC) Leader** in Kendal Deanery, in the Diocese of Carlisle. We're delighted that you want to explore this exciting opportunity with us. Please find attached the **job description and person specification** for this role.

About the Role

We are looking for an experienced and creative Christian Leader to join the Network Youth Church Leadership team. This role is about leading the development of opportunities for young people to discover Jesus and establishing and resourcing worshipping communities throughout the deanery, in fresh and innovative ways. This is not a traditional youth leader role, but rather an opportunity to minister to young people through the creation and resourcing of multiple Network Youth Church projects across a large geographical area. The role is as much about inspiring and equipping others to do high quality Christian youth ministry as it is about modelling your own excellent youth work.

What Next?

If your application is successful, we will invite you to an interview in the deanery. As part of this process, you will meet young people, complete a planning activity, deliver a pre-prepared session, and take part in a formal interview with members of the Kendal NYC Ministry Council.

We are committed to safer recruitment and supporting the right candidates:

- **Travel & Accommodation:** If invited to interview, we can cover **overnight accommodation** costs so you can explore the area. Please contact the HR team if you would like to take advantage of this.
- **Relocation Support:** If successful, we may be able to assist with **relocation costs** and **temporary accommodation** (context dependent), to help you settle in.

We look forward to hearing from you!
